

TRA Roofscape Awards 2026 - briefing document

The **TRA Roofscape Project Awards** celebrate the expertise and technical skills of design teams in the roofing and floor sectors. These awards recognise projects that demonstrate excellence in design, innovation, and sustainability in either timber trussed rafter or metal web designs.

The Roofscape Individual Awards recognise the achievements of the individual members of our teams who have excelled in the fields of Innovation, Safety or Career Development. **For the first time, the individual awards are being sponsored by the System companies and a prize of £250 will be awarded to each of our Champions**

Entry is open exclusively to designers and employees of TRA member companies.

Key contacts

- Matt Milton – mmilton@timberdevelopment.uk 07875 158 021
- Nick Boulton - info@tra.org.uk

Key dates

- Awards launched: 13 October 2025
- Entry deadline: 14 January 2026
- Winners announced: TRA Members Day & AGM, 23 April 2026

All shortlisted candidates must be able to attend the Awards Ceremony.

Project Awards -Projects must have been completed in 2025 (at least the roof/floor construction)

- **Commercial Project of the Year** Recognises designs that combine functionality, technology, and aesthetics. This category applauds commercial projects that meet modern business demands while contributing positively to the architectural landscape.
- **Conversion & Refurbishment Project of the Year** Celebrates projects that balance heritage preservation with innovative roof solutions, ensuring contemporary functionality while respecting existing structures.
- **Residential Project of the Year** Recognises outstanding residential projects that demonstrate inventive and visually appealing roof designs while integrating seamlessly with the surrounding environment.

Good quality images are essential in order for the judges to see the project at its best, and to help us promote the shortlisted and winning projects.

Individual Awards - Nominee achievements must have taken place in 2025

- **Innovation Champion of the Year** Awarded to an individual who has driven technological, sustainability, or operational innovation in the trussed rafter industry.
- **Safety Champion of the Year** Celebrates dedication to safe practices, recognising individuals who lead by example, promote training, and implement best practices that protect workers and the public.
- **Career Development Champion** Recognises individuals who have shown exceptional commitment to their own learning and professional development, or managers who actively champion career development within their organisation.

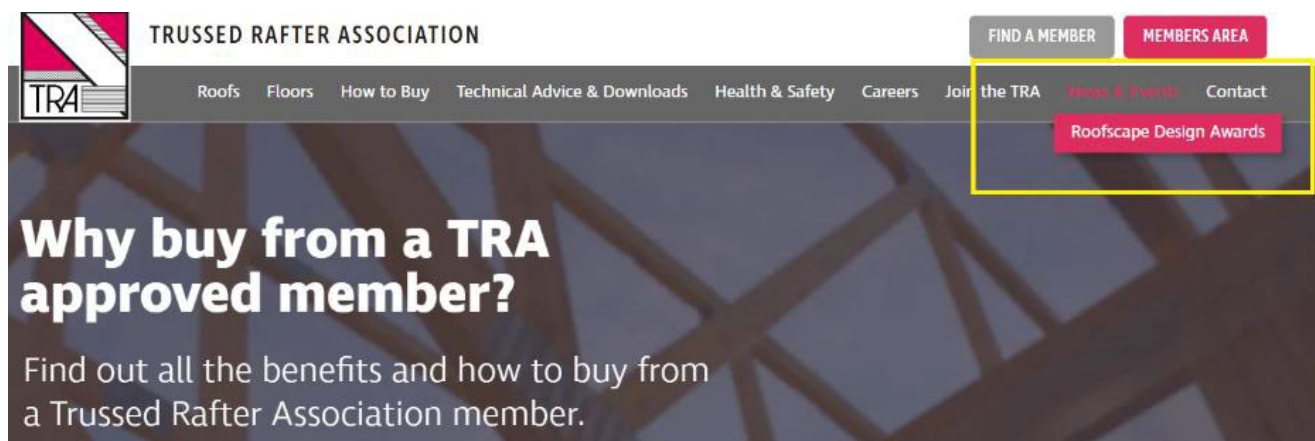

TRA Roofscape Awards 2026 - briefing document

Entry process

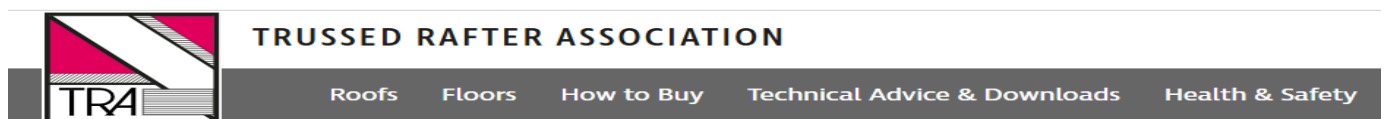

- All entries must be submitted via the dedicated Roofscape Design Awards page: <https://www.tra.org.uk/news-events/roofscape-design-awards/>
- Project entries may include up to five supporting images/designs/drawings
- Only winning projects will be showcased
- Individual categories do not require supporting documentation
- Entry is free of charge, and members may submit multiple entries across categories

Where to find the entry forms

1. Visit the TRA website, hover over 'News & events', there will be a dropdown option for the Roofscape Design Awards, or click on: <https://www.tra.org.uk/news-events/roofscape-design-awards/>

2. You will find a page that describes the awards, and at the foot of the page are buttons which will take you to the on-line entry forms.

The TRA Roofscape Design Awards celebrate the creativity, technical expertise, and innovation of designers working with timber trussed rafter roofs. Each year, the awards recognise projects that set the standard for design excellence, sustainability, and ingenuity in the trussed rafter sector.

Launched in 2023, the awards have become an annual celebration of the best in the industry. Could you be one of the 2026 winners? Enter today and showcase your work.

TRA Roofscape Awards 2026 - briefing document

Actions for All TRA Members :

Please help us raise awareness by:

- Sharing this briefing document about the awards with your design and management teams
- Encouraging entries across both project and individual award categories

The shortlisted projects will be promoted to Architects, Engineers and Contractors ahead of the Awards ceremony, highlighting the benefits of trussed rafters and metal web.

Please encourage your teams to nominate colleagues for the Individual Roofscape awards so that as a sector we can have the opportunity to celebrate the individuals who go above and beyond to achieve the best they can be.
